

This policy has been developed to follow the guidelines set by the Gloucester Safeguarding Executive and has been ratified by Governors. It covers use of digital media by pupils.

This policy will operate in conjunction with other policies including those for Pupil Behaviour, Bullying, Curriculum, Data Protection and Child Protection.

Online -Safety encompasses all digital technologies, the Internet and electronic communications such as mobile phones, as well as digital collaboration tools and personal publishing. It highlights the need to educate pupils about the benefits and risks of using technology and provides safeguards and awareness for users to enable them to control their online experience.

### **Why is internet use important?**

Digital technologies have become integral to the lives of children and young people, both within schools and outside school. These technologies are powerful tools, which open up new opportunities for everyone. These technologies can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning. Young people should have an entitlement to safe internet access at all times.

### **This Acceptable Use Agreement is intended to ensure:**

- that young people will be responsible users and stay safe while using the internet and other digital technologies for educational, personal and recreational use.
- that school systems and users are protected from accidental or deliberate misuse that could put the security of the systems and will have good access to digital technologies to enhance their learning and will, in return, expect that pupils to agree to be responsible users.

### ***Acceptable Use Policy Agreement***

I understand that I must use school systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the systems and other users.

- If I need to bring a phone to school my parents / carers will formally request permission from the headteacher to do so (this will be considered on a case by case basis). If permission is granted, I will hand my phone into the office each morning before school and collect it at the end of the day.
